

7.11 Forms

TDI Forms, where provided in the Standards and Procedures Forms section for use by members, are to be used for training courses where applicable. Equivalent documents not produced by TDI are not acceptable without prior authority from TDI Headquarters. Authority to use non-TDI forms must be applied for prior to commencement of training and will only be granted under circumstances such as:

- Form not available in a language the student or instructor understands
- Form is superseded by document(s) produced under local regulations

7.12 Exams

The required score for all students taking any TDI Diver level or Leadership course exam is 80%, with 100% remediation of any incorrect answers required by the course instructor. Alternate exams, where produced, are also to be used when students score is below 80%.

7.13 Existing CCR Instructor - Unit Crossover/Upgrade.

Note: Approval is subject to headquarters training department review and the unit manufacturer's authority.

Current TDI Rebreather instructors who wish cross over to another TDI approved Rebreather must complete an entry level instructor course with a qualified Instructor Trainer on the unit they wish to cross over to.

To qualify for a unit crossover, applicants must:

1. Be an active TDI Instructor on another CCR unit at the level they are applying for
2. Verify formal training with the manufacturer or a TDI recognized agency at diver level on the unit for which the rating is being applied for
3. Verify a minimum of 50 hours experience on the unit for which the rating is being applied for
4. After Air Diluent Decompression unit specific instructor training has been completed, instructors can apply directly to TDI for higher TDI Instructor ratings they hold on other rebreathers. In order to qualify, they must have assisted with at least one complete TDI course at the level and on the unit being applied for, and meet the following requirements:
 - a. CCR Helitrox Instructor-Unit Specific
 - i. TDI CCR Helitrox or higher instructor on another unit
 - ii. Have issued at least 2 diver certifications on the unit applying for

- b. CCR Mixed Gas and Advanced Mixed Gas Instructor-Unit Specific
 - i. TDI CCR Mixed Gas Instructor or Advanced Mixed Gas respectively on another unit.
 - ii. Have issued at least 4 diver level certifications on the unit applying for
5. Current TDI Kiss CCR instructors upgrading to teach the Kiss Sidewinder must complete an academic session covering unit build, hose routing, donning and doffing, and a minimum of 120 minutes open water training over a minimum of 2 dives with a qualified IT. Instructor must also provide proof of 600 minutes bottom time on the unit over at least 10 dives prior to upgrading instructor rating.

CCR Instructor Trainers crossing over from a different unit must meet the requirements above and certify at least 5 divers at each level they are applying for.

7.14 Requirements for Dive Leader Crossovers

Dive leaders associated with another recognized scuba training agency must provide a copy of their active ratings with the other agency.

- If they have been inactive for less than five years, they must secure a letter from that agency, stating what requirements must be completed prior reinstatement with that agency.
- If they have been inactive for more than five years, they must secure a letter from that agency stating what requirements must be completed prior reinstatement with that agency. Due to the length of inactivity, they will be required to complete an IEC for the level they wish to cross over.
- All crossover candidates must also complete the online crossover program (if it is available in their language), complete the appropriate crossover application, and submit it along with proof of current leadership rating(s), insurance (if required in their geographical location), and documentation they have completed the online program. They will then be required to complete the crossover program with a qualified individual*. This can be completed either in person or via a web conference (if administrative).

*Qualified individuals are defined for each crossover level as follows:

- Instructor crossover with evaluation – Instructor Trainer qualified to level needing evaluation
- Instructor crossover (administrative) – Instructor Trainer, Regional Representative, or Headquarters/Regional Office Staff Member
